Annual Meeting of the ESPRS

Egyptian Society of Plastic & Reconstructive Surgeons

In collaboration with the
International Confederation of Plastic Surgery Societies

ICOPLAST

13-16 March 2018
Steigenberger Nile Palace, Luxor, Egypt
Dear Guests & Colleagues,

On behalf of the Board of Directors of the Egyptian Society of Plastic and Reconstructive Surgeons (ESPRS), we would like to welcome you to the 48th Annual Meeting of the ESPRS, the meeting this year is a very special one, it is held in collaboration with the International Confederation of Plastic Surgery Societies (ICOPLAST) and this will be the second ICOPLAST international scientific meeting. The Egyptian Society was one of the early societies to join this recently established scientific body and Egypt is currently the regional representative for the Middle East in ICOPLAST.

The scientific program features a rich agenda that focuses on recent and future innovations and trends in our specialty. It includes; mini courses, keynote lectures and recent research by top of the niche national and international figures in the field of plastic, reconstructive and aesthetic surgery.

We hope that you enjoy this outstanding scientific and social program and we wish you a pleasurable and memorable stay.
